SAM.ai

SUMMARY

Sam.ai is an award-winning sales and marketing software founded in 2016 in NYC. Uniquely designed for **CRE executives**, Sam excels at identifying and engaging C-suite executives who match your Ideal Client Persona. Sam leverages three branches of AI to empower CRE professionals to find and close more deals in less time than any other system.

FUNCTIONS

- 2,500 or more Verified Prospect List
- Email Marketing on #1 Rated Server
- Auto Appointment Setting Outreach Campaign
- Proprietary Warm Intro & Referral Generator
- Automation for follow-ups, renewal-reminders
- 360° Sales & Client Mgmt. (4x faster than CRM)

VALUE

By switching to Sam.ai, our clients save an average of $1,200 or more annually on sales and marketing software. They no longer need to use or pay for tools like ZoomInfo, Constant Contact, Salesforce/CRM, Calendly, or Outreach. Additionally, Sam's proprietary voice activated conversational **AI boosts productivity by 402%**, saving valuable time and enabling clients to focus on relationship building and closing deals.

Rating

" If you've never experienced an AI-powered technology stack, **I highly recommend that you request a Sam.ai demo** and see if for yourself. "

Larry Myler   Forbes

" Not only can you harness an untapped wealth of contact information, but **AI goes beyond the data and delivers actual insights** "

Molly Reynolds   Inc.

" Those who take advantage of AI-based platforms such as Sam, **will spend a lot less time learning how to use software** "

Chirag Kulkarni   HUFFPOST

" I have been using Sam.ai for over a year now and very pleased with the results. It has helped me streamline my workflow processes, **saved me over $1,200 per year** and **achieved a 25% improvement** on email open rates. I recommend Sam.ai to anyone considering a vertically integrated solution to their CRM and email marketing needs. "
